**T**O those who feel the surviving elements of the past should be preserved for their inspirational and educational values, **THE SOCIETY FOR THE PRESERVATION OF NEW ENGLAND ANTIQUITIES** offers an opportunity to share with others of similar interests the enjoyment of present accomplishments and of spreading recognition of the need and knowledge for protecting our priceless inheritance.

Founded in 1910 by William Sumner Appleton, the Society has met with great success through the support and generosity of its members and many other individuals. It has acquired over 50 properties and has been helpful in the preservation of as many more in other hands. Some of these properties, but unfortunately not all, are partially supported by endowments. They are about equally divided between examples of seventeenth, eighteenth and nineteenth-century buildings, ranging from simple but impressive structures to stately mansions.

All members receive the Society's illustrated quarterly magazine, **OLD-TIME NEW ENGLAND**, and a membership ticket (in the form of a receipt for dues) which extends the privilege of free admittance to such of the Society's houses as are open for inspection. The magazine presents articles touching on varied subjects of historical and antiquarian interest centering in New England.

Membership is divided into three classes: Associate, with dues of \$3.00 a year (a class not carrying the privilege of voting at meetings nor of holding office); Active, at \$6.00 a year; and Life, with payment of \$100.00 in any one year and exemption from dues thereafter. Annual memberships run from March 1 each year. Membership taken after November 1 is good for the ensuing year as well as the unexpired portion of the current year.
